

Module 6
Immigration to America

Immigration to America

beginning of 20th century:
dramatic increase of immigration to America

fuelled by

- lack of economic opportunities
- religious discrimination
- political persecution in some countries of Europe

symbols of immigration to the USA

Ellis Island, where the poorest immigrants were processed before entering the USA

the **Statue of Liberty**, which represents the **'American Dream'**

a country where everyone can conquer a better position in life thanks to hard work and determination

is it for all people?
(e.g. Native Americans and 'manifest destiny')
